

MetraAV 12 YEAR “2- STEP” LIMITED WARRANTY

MetraAV offers an industry leading, 12 year “2-STEP” warranty which protects the purchaser from any defects in materials or workmanship for twelve years from the date of purchase.

Who is covered? The **original** purchaser of the product from the date of purchase.

What is covered? Any defect in the design, construction, or workmanship of the product that causes it to fail to perform as represented at the time of sale.

What is not covered? Damage to the product caused by disassembly, accidents, abuse, misuse or modification of the product, and of course, an “act of God” such as a power surge, destructive storm or fire, etc. MetraAV will inspect the product upon return to determine whether any of these conditions are present and inform the purchaser of this fact.

Step 1

To participate in the 12 year warranty program, all you have to do as the purchaser is to register your product online with MetraAV. This is provided to you for product registration. Please note that proof of purchase is completed by providing a copy of the sales receipt from the MetraAV Re-seller or from MetraAV itself, if a direct purchase. Your warranty rights remain in place regardless of whether you return the card or not. Registration helps the process move more smoothly and quickly.

Step 2

If any problem with the product occurs, simply call the MetraAV at the Warranty Hot Line Number listed below. A representative will discuss the issue with you and provide a Ticket Number along with the RMA (Returned Merchandise Authorization) number for return of the product along with instructions on how to use the enclosed return label, which is good for use in the US for all states excluding Alaska and Hawaii.

Upon receipt of the returned product, MetraAV will examine the product and if defective for any reason as stated above, it will, at its option, either repair the product or provide a replacement product free of charge. If the product is no longer being manufactured or available, then MetraAV will attempt to replace the product with a similar product of like use and cost, if the product cannot be repaired. Note: Some products may be subject to changes in technology which makes replacement impossible.

460 Walker Street, Holly Hill, Florida 32117 • (386) 257-1187

Still Have Questions?

Any questions of regarding this warranty that could not be answered by a representative on our “hot line” should be addressed to: Warranty Department, MetraAV, 460 Walker St., Holly Hill, Florida, 32117.
